Office of the Secretary
of Transportation

SUBJECT: Class Deviation No. 2025-01 from the Federal Acquisition Regulation Regarding Executive Orders 14173 and 14168

FROM: Chrishaun Jones
Senior Procurement Executive
Office of the Senior Procurement Executive

TO: Department of Transportation Chiefs of the Contracting Offices

I. Purpose: This class deviation (CD) is issued under Federal Acquisition Regulation (FAR) 1.404 and Transportation Acquisition Regulation (TAR) 1201.404 and authorizes a class deviation regarding the revocation of Executive Order (E.O.) 11246, *Equal Employment Opportunity*, and updates terminology based on E.O. 14168, *Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government*, issued on January 20, 2025.

II. Effective Date: Immediately

III. Background: On January 21, 2025, President Trump issued E.O. 14173, *Ending Illegal Discrimination and Restoring Merit-Based Opportunity*, which revoked E.O. 11246, *Equal Employment Opportunity*. The Office of Federal Contract Compliance Programs (OFCCP) published an announcement reiterating, as provided in E.O. 14173, that for 90 days from the date of the E.O., Federal contractors may continue to comply with the regulatory scheme in effect on January 20, 2025.

On February 15, 2025, the Chair of the Civilian Agency Acquisition Council (CAAC) issued CAAC Letter No. [2025-01](#), and on February 18, 2025, [Supplement 1](#) to the letter, in accordance with FAR 1.404(a)(1) to authorize agencies to issue their own class deviations. The CAAC Letter addressed the removal of equal employment opportunity language per revoked E.O. 11246. Several FAR provisions promulgated to enforce E.O. 11246 are not consistent with the direction in E.O. 14173 (see FAR subpart 22.8 and associated provisions and clauses as prescribed at FAR 22.810, as well as affected parts).

The CAAC Letter also addressed new E.O. 14168, and the required removal of the defined term “gender identity” per E.O. 14168 from FAR 22.801 and applicable clauses at FAR Part 52 that include the term.

This class deviation implements the CAAC Letter while rulemaking is conducted to update the FAR.

IV. Required Actions: The requirements in this CD apply to all DOT Operating Administrations and Contracting Offices for applicable solicitations and contracts.

Heads of the Contracting Activities (HCA) must ensure this CD is disseminated to the acquisition workforce and ensure compliance with the requirements in the class deviation.

Effective immediately, DOT contracting staff must comply with the following:

a) When issuing new solicitations or contracts:

1. **INCLUDE** the following deviated provisions and clauses, if applicable:
 - i. ~~52.204-8, Annual Representations and Certifications (JAN 2025) (DEVIATION FEB 2025)~~
 - ii. ~~52.212-3, Offeror Representations and Certifications—Commercial Products and Commercial Services (MAY 2024) (DEVIATION FEB 2025)~~
 - iii. ~~52.212-5, Contract Terms and Conditions Required To Implement Statutes or Executive Orders—Commercial Products and Commercial Services (JAN 2025) (DEVIATION FEB 2025)~~
 - iv. 52.213-4, Terms and Conditions—Simplified Acquisitions (Other Than Commercial Products and Commercial Services) (JAN 2025) (DEVIATION FEB 2025)
 - v. 52.222-6 Construction Wage Rate Requirements (AUG 2018) (DEVIATION FEB 2025)
 - vi. 52.222-11 Subcontracts (Labor Standards) (MAY 2014) (DEVIATION FEB 2025)
 - vii. 52.222-12 Contract Termination—Debarment (MAY 2014) (DEVIATION FEB 2025)
 - viii. 52.244-6, Subcontracts for Commercial Products and Commercial Services (JAN 2025) (DEVIATION FEB 2025)
2. **DO NOT INCLUDE** any of the following provisions and clauses:
 - i. 52.222-9, Apprentices and Trainees
 - ii. 52.222-21, Prohibition of Segregated Facilities
 - iii. 52.222-22, Previous Contracts and Compliance Reports
 - iv. 52.222-23, Notice of Requirement for Affirmative Action To Ensure Equal Employment Opportunity for Construction
 - v. 52.222-24, Preaward On-Site Equal Opportunity Compliance Evaluation
 - vi. 52.222-25, Affirmative Action Compliance
 - vii. 52.222-26, Equal Opportunity
 - viii. 52.222-27, Affirmative Action Compliance Requirements for Construction
 - ix. 52.222-29, Notification of Visa Denial

b) Amend open solicitations to include the applicable clauses and to remove inapplicable clauses as listed above.

c) **When issuing new solicitations:**

1. **INCLUDE** the following notice:

“System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in DOT solicitations. Examples include:

- 52.222-25, Affirmative Action Compliance, and
- 52.212-3(d), Offeror Representations and Certifications—Commercial Products and Commercial Services.

Contracting officers will not need to consider these representations when making award decisions or enforce requirements. Entities are not required to, nor are they able to, update their entity registration to remove these representations in SAM.”

d) **ENSURE** contractors are aware that:

1. FAR subparts 22.13, *Equal Opportunity for Veterans*, and 22.14, *Employment of Workers with Disabilities*, and their related provisions and clauses, are based on statute, and are not covered by the revocation of E.O. 11246, and thus are not affected by this FAR class deviation.
2. Existing United States laws on civil rights/nondiscrimination apply whether or not the company is a government contractor.

e) **FOR EXISTING CONTRACTS**, Heads of the contracting activities (HCAs) shall ensure that they issue appropriate guidance for when existing contracts should be modified to comply with this deviation. At a minimum, contracting officers shall provide a copy of this FAR class deviation to contractors when the contract has more than six months remaining under the period of performance and ensure the contract incorporates the new language and removes the rescinded language at the next modification.

V. Applicability: This CD is applicable to all solicitations and contracts (see definition of contract at FAR.2101).

See Attachment A for the changes in the FAR text as revised by this deviation.

VI. Expiration Date: This CD will remain in effect until it is incorporated into the FAR or is otherwise rescinded, whichever occurs first.

VII. Point of Contact: Questions or comments regarding this class deviation may be directed to DOTAcquisitionPolicy@dot.gov.

SUBJECT: Class Deviation No. 2025-02 from the Federal Acquisition Regulation Regarding Executive Orders 14148 and 14208

FROM: Chrishaun Jones
Senior Procurement Executive
Office of the Senior Procurement Executive

TO: Department of Transportation Chiefs of the Contracting Offices

I. Purpose: This class deviation (CD) is issued under Federal Acquisition Regulation (FAR) 1.404 and Transportation Acquisition Regulation (TAR) 1201.404 and authorizes a class deviation to FAR Part 11, 18, 23, and 37 necessary to implement Section 2 of the Executive Order (E.O.) 14148, *Initial Rescissions of Harmful Executive Orders and Actions*, issued on January 20, 2025, which revoked E.O. 14057 and Section 2 of E.O. 14208, *Ending Procurement and Forced Use of Paper Straws*, issued on February 10, 2025.

II. Effective Date: Immediately

III. Background: Section 2 of E.O. 14148, *Initial Rescissions of Harmful Executive Orders and Actions*, of January 20, 2025 (see 90 FR 8237), revoked E.O. 14057, *Catalyzing Clean Energy Industries and Jobs Through Federal Sustainability*, of December 8, 2021. The removal of requirements related to E.O. 14057 eliminates all non-statutory sustainability requirements or preferences in purchases of food service wares, including paper straws. In addition to removing requirements related to E.O. 14057, the class deviation also reflects recent updates to Code of Federal Regulation citations for the U.S. Department of Agriculture's BioPreferred Program, a statutory purchasing preference program. Section 2 of E.O. 14208, *Ending Procurement and Forced Use of Paper Straws*, of February 10, 2025 (see 90 FR 9585), directs agencies to take appropriate action to eliminate policies designed to disfavor plastic straws.

On February 15, 2025, the Chair of the Civilian Agency Acquisition Council (CAAC) issued CAAC Letter No. [2025-02](#), and on February 18, 2025, [Supplement 1](#) superseded the original issuance of the letter, in accordance with FAR 1.404(a)(1) to authorize agencies to issue their own class deviations.

This class deviation implements the CAAC Letter while rulemaking is conducted to update the FAR.

IV. Required Actions: The requirements in this CD apply to all DOT Operating Administrations and Contracting Offices for applicable solicitations and contracts.

Heads of the Contracting Activities (HCA) must ensure this CD is disseminated to the acquisition workforce and ensure compliance with the requirements in the class deviation.

Effective immediately, DOT contracting staff must comply with the following:

- a) **Use the revised definitions in FAR Part 2 and follow the revised procedures in FAR Parts 11, 18, 23, and 37 as illustrated in Attachment A.**
- b) **When issuing new solicitations or contracts:**
 - 1. **INCLUDE** the following deviated provisions and clauses, if applicable:
 - i. 52.204-8 Annual Representations and Certifications (JAN 2025) (DEVIATION FEB 2025)

 - iii. 52.212-5 Contract Terms and Conditions Required To Implement Statutes or Executive Orders—Commercial Products and Commercial Services (JAN 2025) (DEVIATION FEB 2025)
 - iv. 52.213-4 Terms and Conditions—Simplified Acquisitions (Other Than Commercial Products and Commercial Services) (JAN 2025) (DEVIATION FEB 2025)
 - v. 52.223-1 Biobased Product Certification (MAY 2024) (DEVIATION FEB 2025)
 - vi. 52.223-2 Reporting of Biobased Products Under Service and Construction Contracts (MAY 2024) (DEVIATION FEB 2025)
 - vii. 52.223-10 Waste Reduction Program (MAY 2024) (DEVIATION FEB 2025)
 - viii. 52.223-23, Sustainable Products and Services (MAY 2024) (DEVIATION FEB 2025)
 - 2. **DO NOT INCLUDE** any of the following provisions and clauses:
 - i. 52.223-1 Biobased Product Certification (MAY 2024)
 - ii. 52.223-2 Reporting of Biobased Products Under Service and Construction Contracts (MAY 2024)
 - iii. 52.223-10 Waste Reduction Program (MAY 2024)
 - iv. 52.223-19, Compliance with Environmental Management Systems (MAY 2011)
 - v. 52.223-22, Public Disclosure of Greenhouse Gas Emissions and Reduction Goals—Representation (DEC 2016)
 - vi. 52.223-23, Sustainable Products and Services (MAY 2024)
- c) **Amend open solicitations to include the applicable clauses and to remove inapplicable clauses as listed above.**
- d) **When issuing new solicitations:**
 - 1. **INCLUDE** the following notice:

“System updates may lag policy updates. The System for Award Management (SAM) may continue to require entities to complete representations based on provisions that are not included in DOT solicitations. Examples include:

 - 52.223-22, Public Disclosure of Greenhouse Gas Emissions and Reduction Goals—Representation, and

Subpart 23.1–Sustainable Products and Services

23.100 Scope of subpart.

This subpart provides policies and procedures for procuring sustainable products and services. This subpart applies to all contract actions, including those using part 12 procedures for the acquisition of commercial products, including commercially available off-the-shelf (COTS) items, and commercial services and acquisitions valued at or below the micro-purchase threshold.

* * * * *

23.101 Definitions.

~~—(d) The~~**[See the]** authorities referenced in 23.107 for statutory purchasing programs.

23.103 Policy.

(a) Agencies shall procure sustainable products and services (as defined in 2.101) to the maximum extent practicable.

(1) Procuring sustainable products and services is considered practicable, unless the agency cannot acquire products or services—

(i) Competitively within a reasonable performance schedule;

(ii) That meet reasonable performance requirements; or

(iii) At a reasonable price (see 23.103(a)(2)).

(2) When considering whether the price of a sustainable product is reasonable, agencies should consider whether the product is cost-effective over the life of the product. For ENERGY STAR® or Federal Energy Management Program (FEMP)-designated products, a price is reasonable if it is cost-effective over the life of the product taking energy cost savings into account (42 U.S.C. 8259b(b)(2)). Life-cycle cost savings tools for energy-efficient products are available at

https://www.energystar.gov/buildings/save_energy_commercial_buildings/ways_save/energy_efficient_products and
<https://www.nrel.gov/analysis/tech-lcoe.html>.

~~(b) When procuring sustainable products and services, agencies shall—~~

~~——(1) Ensure compliance with applicable statutory purchasing program requirements (see 23.107); and~~

~~——(2) Prioritize multi-attribute sustainable products and services (see 23.104(c)(2)).~~

~~—(c) Regarding products under contract actions for services or construction, the contractor is required to provide products that meet the definition of sustainable products and services at 2.101, if the products are—~~

(1) Delivered to the Government;

(2) Furnished by the contractor for use by the Government;

(3) Incorporated into the construction of a public building or public work; or

(4) Acquired by the contractor for use in performing services under a Government contract where the cost of the products is a direct cost to a Government contract (versus costs which are normally applied to a contractor's general and administrative expenses or indirect costs).

23.104 General procedures.

(a) *Maximum extent practicable.* If the requiring activity submits a written justification addressing the reasons described in 23.103(a)(1), the contracting officer may consider it not practicable to procure sustainable products or services. A written justification may be for a specific product or service or at the line item or contract level. The contracting officer shall maintain the written justification in the contract file.

(b) *Identification.*

(1) Except as provided in paragraph (b)(2) of this section, the contracting officer shall ensure the solicitation and contract identifies—

(i) The sustainable products and services, including the purchasing program and type of product or service, that are applicable to the acquisition, as identified by the requiring

activity; and

(ii) Any products and services that are not subject to the requirements of this subpart and the clause at 52.223-23, Sustainable Products and Services, based on the written justification under paragraph (a) of this section **[or an exception at 23.105]**, ~~an exception at 23.105, or an exemption at 23.106.~~

(2) The requirement in paragraph (b)(1) of this section does not apply if the justification **[or exception]**, ~~exception, or exemption~~ covers the entirety of the contract action requirements.

(c) *Prioritization.* Agencies shall ~~prioritize sustainable products and services as follows:~~

~~————(1) Procure~~**[procure]** products and services that meet applicable statutory purchasing program requirements (see 23.107). When both an EPA-designated item (see 23.107-1) and a biobased product in a USDA-designated product category (see 23.107-2) could be used for the same purposes, and there is not an EPA-designated item that is also a biobased product in a USDA-designated product category that meets the agency's needs, procure the EPA-designated item.

~~————(2) Consistent with other statutory procurement requirements, prioritize multi-attribute sustainable products and services, which are those that meet applicable statutory purchasing program requirements (see 23.107) and one or more required EPA purchasing programs (see 23.108).~~

~~————(3) If no statutory purchasing program requirements apply, procure sustainable products and services that meet required EPA purchasing program requirements (see 23.108).~~

(d) *Resource.* The Green Procurement Compilation (GPC) available at <https://sftool.gov/greenprocurement> provides a comprehensive list of sustainable products and services and other related sustainable acquisition guidance. ~~In addition to the resources identified for each purchasing program listed in 23.107 and 23.108,~~ agencies**[Agencies]** should consult the GPC when determining which **[statutory]** purchasing programs apply to a specific product or service.

23.105 Exceptions.

The following are excepted from the requirement to procure sustainable products and services: * * *

(d) Biobased products to be used in military equipment (products or systems designed or procured for combat or combat-related missions), spacecraft systems, or launch support equipment are not subject to the requirements in 23.107-2 (~~7 CFR 3201.3(e)~~ **[7 CFR part 4270.3(a)(5)]**).

~~—(b) The head of an agency may exempt the following:~~

~~——(1) Particular agency activities and related personnel, resources, and facilities when it is in the interest of national security, to protect intelligence sources and methods from unauthorized disclosure, or where necessary to protect undercover law enforcement operations from unauthorized disclosure. The agency shall notify the Chair of the Council on Environmental Quality (CEQ) in writing within 30 days of issuance of the exemption under this paragraph (b)(1).~~

~~——(2) On an individual or class basis, any manned and unmanned vehicle, vessel, aircraft, or non-road equipment that is used in combat support, combat service support, military tactical or relief operations, or training for such operations or spaceflight vehicles, including associated ground support equipment.~~

~~—(c) Contracting officers are encouraged, but not required, to procure sustainable products and services if the head of the agency determines the supplies or services are to be used to facilitate defense against or recovery from cyber, nuclear, biological, chemical, or radiological attack; to facilitate provision of international disaster assistance; or to support response to an emergency or major disaster.~~

~~—(d) The head of the agency may submit to the President, through the Chair of CEQ, a request for an exemption of an agency activity, and related personnel, resources, and facilities from this subpart for any reason not otherwise addressed in this section.~~
